# Package Deep Dive

How Each Package Works After the Lock Period

## Flexi

No lock — withdraw anytime

- 1.0% daily forever
- Partial withdrawals allowed (5-min cooldown)
- Max \$300 staked per address
- Ideal for flexibility & liquidity

## Diamond

14-day lock, then Flexi

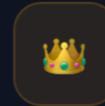

- 1.1% daily during lock
- After lock → auto 1.0% daily indefinitely
- Max \$700 staked per address
- Full withdraw only after lock

## HODL

30-day lock, then Flexi

- 1.2% daily during lock
- After lock → auto 1.0% daily indefinitely
- Max \$3,000 staked per address
- Full withdraw only after lock

## OG

60-day lock, then Flexi

- 1.3% daily during lock
- After lock → auto 1.0% daily indefinitely
- Max \$5,000 staked per address
- Full withdraw only after lock

Rewards are **always claimable** — only principal is locked during the lock period.

# Why **UnitedDefi**?

What Sets This Protocol Apart

## ✘ **No KYC**

Your identity stays yours

## ✘ **No Geographic Limits**

Available worldwide, no restrictions

## ✘ **No Volatility Risk**

Stablecoin pairs eliminate price swings

## ✔ **100% Autonomous**

No human intervention. The code governs.

## ✘ **No Hidden Fees**

0% withdrawal fee. What you earn is yours.

## ✘ **No Middlemen**

Direct smart contract interaction

## ✔ **100% On-Chain**

Every transaction verifiable on BSC

## ✔ **Rewards Anytime**

# Built to Last

Security Is Not a Feature. It Is the Foundation.

## FULLY AUDITED

**VERIFIED ON BSCSCAN**

Open-source & fully  
auditable code

## IMMUTABLE CONTRACT

No modifications possible.  
Ever. No upgradability.

## OWNERSHIP RENOUNCED

No admin keys. No  
backdoors. Owner = 0x0.

## LIQUIDITY LOCKED

100% LP permanently  
secured. Cannot be  
withdrawn.

## ZERO ADMIN KEYS

No onlyOwner functions. No  
pause. No admin withdrawals.

## ANTI-WHALE PROTECTION

Max stake cap per wallet. No  
single user can dominate the  
pool.

*"UnitedDefi does not ask you to trust a team. It asks you to verify the code."*

# Transparent Fees

No Surprises. No Hidden Costs.

# 0%

## ZERO FEES FOR USERS

Zero fees when you withdraw.

What you earn is 100% yours.

Any fee will be charged to the pools.

All fees are **immutable** — hardcoded in the smart contract. They cannot be changed.

# Key Advantages

What Makes UnitedDefi Different

## Earn Forever After Lock

After lock period, your position automatically earns at Flexi rate (1.0%/day) indefinitely.

## Claim Rewards Anytime

Only principal is locked. Your earned rewards are always available for withdrawal.

## Flexi Partial Withdrawals

Flexi package supports partial withdrawals with just a 5-minute cooldown.

## Anti-Scam Protection

Deposit uses encoded bytes to prevent BSCScan direct interaction scams.

## Multiple Positions

Have multiple active positions across different package types simultaneously.

## Per-Address Max Caps

Smart caps per package protect the protocol: \$300 Flexi, \$700 Diamond, \$3K HODL, \$5K OG.
